

Ohio Revised Code

Section 4301.65 Sale, purchase, or use of alcohol vaporizing device prohibited.

Effective: September 21, 2006

Legislation: Senate Bill 131 - 126th General Assembly

(A) As used in this section, "alcohol vaporizing device" means a machine or other device that mixes beer or intoxicating liquor with pure oxygen or any other gas to produce a vaporized product for the purpose of consumption by inhalation.

(B) No person shall sell or offer for sale an alcohol vaporizing device.

(C) No person shall purchase or use an alcohol vaporizing device.
